

## March Songs & Finger Plays

### ABC SONG

#### PEANUT, PEANUT BUTTER

First you take the peanuts  
and you crush 'em, crush 'em,  
First you take the peanuts  
and you crush 'em, crush 'em.  
(Chorus)

Peanut, peanut butter--jelly, jelly.  
Peanut, peanut butter--jelly, jelly.

Then you take the jelly  
And you spread it, spread it,  
Then you take the jelly  
And you spread it, spread it.  
(Repeat Chorus)  
Then you take the sandwich  
And you eat it, eat it,  
Then you take the sandwich  
And you eat it, eat it.  
(Repeat Chorus singing Mmmm-Mmmm)

#### I HAD A LITTLE TURTLE

I had a little turtle,  
His name was Tiny Tim.  
I put him in the bathtub,  
To see if he could swim.  
He drank up all the water,  
He ate up all the soap.  
And now he's sick in bed,  
With a bubble in his throat. BLLLUP!

#### RAIN, RAIN FALLING DOWN

Sung to "Row, Row Your Boat"  
Rain, rain falling down,  
(Wiggle fingers downward)  
Falling on the ground.  
Pitter, patter, pitter, patter.  
What a lovely sound.  
(Sub. squishy, noisy, silly, etc for lovely.)

#### I'M A LITTLE KITE

(to the tune of "I'm a little Teapot")  
I'm a little kite, just look at me.  
Shaped like a diamond, as you can see.  
I just love to fly up in the air.  
Swoosh! The wind will take me there!

#### FLYING, FLYING (to the tune of "Rise and Shine")

I'll (run) with my kite and go flying,  
flying, flying.  
I'll (run) with my kite and go flying,  
flying, flying.  
I will (run) with my kite and go flying,  
flying, flying.  
On a windy day.

#### RAIN (to the tune of "Are you sleeping")

First the rain comes. First the rain  
comes.  
Then the sun, then the sun.  
Next, a pretty rainbow. Next a pretty  
rainbow.  
Oh, what fun. Oh, what fun!

#### IT IS SPRINGTIME "London Bridge"

Leaves are growing on the trees,  
on the trees, on the trees.  
Leaves are growing on the trees.  
It is springtime.  
All the grass is turning green,  
turning green, turning green.  
All the grass is turning green,  
It is springtime.  
See the birdies build their nests,  
build their nests, build their nests.  
See the birdies build their nests.  
It is springtime.  
Watch the flowers start to grow,  
start to grow, start to grow.  
Watch the flowers start to grow.  
It is springtime.

## Spring

Here comes spring, I hear birds everywhere.  
Winter is over and spring is in the air.  
Flowers are growing, the sun is shining  
bright.

Tiny leaves peek from every plant in sight.  
I'll pick some garden flowers and then tie  
them with a string,  
I'll give them all to you, We're so happy it  
is spring!
